# Women Empowerment Foundation

## Our Vision..

To forge a thriving world where humanity and nature unite, beauty flourishes, and women empowered to **DREAM AND SHINE'** Inspiring a sustainable future, fostering universal contribution to a greener, equitable tomorrow.

# Objectives...

Nurturing eco-consciousness in students through special design activities across all educational institutions.

Grow Green: Engage students in tree planting, relocate seedlings to Tejaswani nurseries.

Empower change through plastic reduction, sharing solutions, and providing actionable steps for a positive environmental impact.

Elevating tier 2 and 3 cities: Career counselling, soft skill development, and job assistance for the flourishing of the younger generation.

Empower women and small enterprises through agricultural training and skill development for enhanced economic independence.

Empower women's health with informed menstrual hygiene, eco-friendly disposal, and overall well-being awareness.

Build a passionate education team to spread knowledge on plantation, indoor gardening, and plant gifting. Our mission is to equip volunteers, guests, interns, and citizens with practical skills for hands-on participation.

Promoting native Ficus species: Peepal, Goolar, Pilkhan, and Banyan.
